

Robin Warfield, 74, passed away peacefully at home on Christmas Day 2020 surrounded by his loving family.

He was born in Olean, NY on October 8, 1946 to his late parents, Fern Hanson Cady Spencer and Frederick Warfield.

In addition to his parents, he is preceded in death by his stepfather, John Spencer; his brothers, Dennis Cady, Bruce Cady and Fred (Bud) Warfield; and his sister, Jo Ann (Jodie) Mosberger.

Robin is survived by his loving children; Kim (John) Goray, Brenda (Dave) Carr, Wendy Brigham and Bradley Warfield, all of Erie. He is also survived by his grandchildren whom he adored: Brandon (Abby), Tyler (Molly) and Mackenzie Carr; Alexa, Brady and Jaxon Brigham; and Morgan and Paige Goray. Although separated, he was married to Shirley Warfield for nearly 25 years and remained friends ever since. He is also survived by sisters, Becky Sank, of Erie, and Jackie Mathews, of Ohio, and one brother, Mark Warfield, of Florida. He also leaves behind loving extended family and many life-long friends.

Robin grew up in Harborcreek and graduated from Harbor Creek High School. He started his career as a barber. He spent most of his career with the Northwest Tri-County Intermediate Unit as a computer specialist. After retiring from there, he spent time driving for the Barber Center and enjoyed working with the children he transported. He then worked for Coach USA, where he traveled across the United States driving a tour bus. Of all his occupations, this is the one he loved best and enjoyed telling stories of the different places he visited and groups he traveled with, his outgoing personality often making a requested driver. He was especially proud to tour with a production cast of Grease from New York to California. He was a long-time member of the Siebenbuerger Club and the Sunflower Club. He will be remembered for his ability to talk to anyone and instantly become friends. Special thanks to neighbors, Delone and Marianne who would visit to check-in and often invite him to their own family gatherings and make him special snacks. Special appreciation to longtime family friend, Kristie for the care she provided in his final days. Our dad was truly blessed.

Most importantly though, he should be remembered for his absolute devotion to his family. There was no denying that his family was his life. We all knew how deeply he loved us all, he had a way of making us feel as if we were each his favorite. He is the dad, grandpa, and papa, that will be forever missed; one of his greatest joys was spending time with his grandchildren. The impact he had on each of our lives will never be forgotten.

Private funeral arrangements are being handled by the Merle E. Wood Funeral Home, 845 East 38th Street. A Celebration of Life will be planned later at the convenience of the family.

Memorials may be made to UPMC Family Hospice, 1700 Peach St., Erie, PA 16510. Special thanks for their genuine care and concern for our dad and the family, especially his nurses Melissa and Christina, who showed him such kindness and compassion during his illness. Their guidance with this journey was appreciated beyond what words can express.
